INITIAL INFORMATION

You may or may not know that Fierce is more than just the class your child attends. We have classes running everyday in dance and gymnastics. We have competitive, world championship winning street dance teams and around 500 children within the FIERCE OLDHAM FAMILY.

We put our Christmas Show on every year to demonstrate the capabilities of each and every one of them. Some children have been with us years and some only a couple of weeks. Regardless every FIERCE child will be given the chance to perform on the grandest stage in Oldham.

There will be a performance from every class at Fierce on the night so the more classes your child attends, the more of the show they will be in. Please keep attending class to make sure you don't miss anything.

Our class focus between now and the 20th December is to get ready for the show, however if your child(ren) are not taking part in the show then they can still attend class as normal to keep up with their training.
